1. On 16 March 2004, Applicant filed a new patent application in the U.S. Patent & Trademark Office, together with a Claim of Priority and a certified copy of the Korean priority application No. 10-2003-0019718 filed in the Korean Intellectual Property Office on 28 March 2003.
2. Upon the filing of the new patent application for the above-captioned application, applicant received a stamped postcard receipt from the Mail Room of the U.S. Patent & Trademark Office, confirming the timely filing and receipt of the new application.

5. On 2 April 2008, a final Office action (Paper No. 20080225) was issued. Again, in Paper No. 20080225, the Examiner failed to acknowledge the filing and receipt of the certified priority application No. 10-2003-0019718.
